Lauren Daigle

## [Intro]

**Am**

## [Verse 1]

**Am**

Through the eyes of man it seems there's so much we have lost

**F**

As we look down the road where all the prodigals have walked

**Dm**

**F G**

And one by one the enemy has whispered lies and led them off as slaves

## [Verse 2]

**Am**

But I know that You are God, Yours is the victory

**F**

We know there is more to come that we may not yet see

**Dm**

**F G**

So with the faith You've given us we step into the valley unafraid

## [Chorus]

**F**

**C**

**G**

We call out to dry bones, come alive, come alive

**F**

**C**

**G**

We call out to dead hearts, come alive, come alive

**F**

**Am G F**

Up out of the ashes, let us see an army rise

**F**

**G C**

We call out to dry bones come alive

## [Verse 3]

**Am**

God of endless mercy, God of unrelenting love

**F**

Rescue every daughter bring us back the wayward sons

**Dm**

**F**

And by Your spirit breathe upon them show the world that You alone can save

**G**

You alone can save
